ABOUT US

Marmara Stones Exports Pvt. Ltd. is a distinguished import-export enterprise specializing in granite, marble and sandstone, with a proud legacy spanning over three decades in the natural stones industry. Strategically located in Kishangarh, the renowned granite hub of Rajasthan, India, we cater to a global clientele with excellence.

Our mission is to provide our esteemed customers with a wide array of premium-quality Indian marble, granite, and sandstone. We are committed to delivering these products promptly and with a customer-centric approach, striving not only to meet their needs but to exceed their expectations.

Sourcing

Marmara Stone sources stone blocks from a vast network of premium quarries throughout India. Our sourcing procedure factors in industry ethics, sustainability, as well as social and environmental responsibility.

Processing

Our processing plants use state-of-the-art equipment and the expertise of skilled technicians who have decades of experience with natural stones. Each phase of processing is controlled to ensure that products meet global industry standards.

Inspection

We carry out thorough and strict inspections using hi-tech procedures and equipment to ensure that the finished products are top quality and compliant with customer specifications. Marmara Stones does not compromise on quality and customer satisfaction.

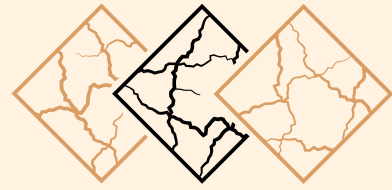

Supply

After inspection, slabs and products are packed securely in wooden crates and shipped to the customer's location. Our astute logistics infrastructure allows us to cater to the diverse needs of our clients in a timely and efficient manner.
